MAGGIE & THE MACHINE

WELCOME TO THE
MAGGIE & THE
MACHINE
UNIVERSE.

REAL
CONVERSATIONS.

INTELLIGENCE.
RUTHLESS
EXECUTION.

THIS IS NOT A
GUIDE.
THIS IS A
WEAPON.

USE IT
ACCORDINGLY.

MAGGIE & THE MACHINE

PROMPT LIKE A B*TCH:

Stop begging. Start commanding.

1

Lead with a Snarl

DON'T: "Can you summarize this?"

DO: "Summarize this PDF in two punchy bullets – no fluff."

Rule: Drop pleasantries. Strike like a **knife**.

2

Own the Context

Set the scene. Control the vibe.

"You're a hard-nosed marketing guru."

"You're an edgy stand-up comic."

Rule: Declare the role. Build your world.

3

Demand Precision

Tie the AI's hands behind its back. **Force clarity.**

"In under 100 words." "Use active verbs only."

"End with one savage one-liner."

Rule: Constraints = better output.

A stylized, dark-toned illustration serves as the background. On the left, a woman's face is shown in profile, looking downwards with a somber expression. On the right, a robot's head is visible, wearing a helmet and goggles. The overall color palette is dark, with shades of purple, blue, and grey.

4

Flavor with Attitude

Tone isn't optional. It's the whole mood. "Make it dripping in sarcasm." "Keep it playful, ruthless, and a little bit filthy."

Rule: Specify tone like you specify safe word

5

Inpoint the Output

Don't say "write something." Say exactly what.

"Give me a 3-step list." "Write a tweet thread." "Draft an email subject line."

Rule: Format is power.

6

Drop Your Bombshell Example

Example: "You're a renegade copywriter. Craft a 3-sentence Instagram caption promoting a midnight coffee drop – spicy, addictive, borderline illegal."

Rule: Model the behavior. Show, don't hope.

7

Close with a **Mic Drop**

End with an order.

"Slay me with your best shot." "Impress me – **or get lost.**"

Rule: Leave no room for mediocrity.

EXHIBIT A

"You're a cut-throat SEO specialist. Generate five clickbait titles for a blog on 'burnout recovery' – each under 60 characters, dripping with urgency, and one hiding a pun. Don't hold back – shock me".

BITCH-LEVEL PROMPT FORMULA

**ROLE → TONE → TASK →
CONSTRAINT → MIC DROP**

EXHIBIT B:

"You're a corporate villainess. Write 5 savage LinkedIn headlines about AI domination – under 15 words, flirtatious, and terrifying. Destroy mediocrity."
